

Dear Parents:

Our Vacation Bible School has chosen the City Rescue Mission as its mission project. The Mission cares for hurting, hungry, and homeless people throughout Beaver, Butler, Lawrence, and Mercer counties.

Each day of our Bible School an offering will be collected to support the work of the Mission. Through a fun visit from the Mission's RESCUE PATROL, your child(ren) will learn a valuable lesson on stewardship and how the Mission helps those in need.

Please consider sending an offering each day with your child to help support the ministries of the City Rescue Mission.
